

Curriculum Intent — Design Technology

“Design and Technology should be as riveting and relevant as the career it channels into. Logical, creative and practical, it’s the only opportunity that school students have to apply what they learn in maths and science.” - James Dyson

KS4 GCSE Design Technology

Y11 GCSE DT

Module: Overall focus

This course is composed of an exam (50%) and coursework (50%).

In Y11 pupils create a portfolio of work for their coursework as well as deepening their subject knowledge which will be tested as part of the examination.
